

Special Handling Fees

All of these fees can be avoided but in case you require special handling here is what you can expect.

- ***Off-scheduled drop/pick-up times \$20.** (will be added to invoice)
- ***Saturday or Holiday drop-off/pick-up \$20.00** (cash only – paid at time of service)

This is our attempt to keep the schedules of a few people from affecting the costs of staffing for everyone. We are doing everything we can to keep costs low. This simply provides extra options for those who really need them.

Veterinarian Trips:

- \$45 for a trip to our local vet
- Additional \$0.50/mile for a trip to the vet of your choice

Vaccinations - required 1 week in advance.

- \$20 administration fee for us to locate them for you if not in on time
- * Exceptions will obviously be made for bookings made within the week before the reservation date.
